

MARY'S SCHOOL OF MUSIC AND PERFORMING ARTS

Teaching music is our profession so we make sure that we are the best in our field. Our philosophy is to help each student excel in his or her chosen musical instrument. We love teaching. Therefore we give 100% commitment to our teaching and aim to pass on our enthusiasm and dedication to all our students. Our goal is to help students achieve the best quality music lessons.

The musical director Ms Mary Rose Kis is a qualified Conservatorium graduate and child psychologist with 30 years teaching experience and stage performance experience.

We prepare students for HSC music exams, AMEB, ANZCA, Trinity and Conservatorium exams, Sydney Eisteddfods and all other major Eisteddfods plus auditions for major stage productions. We train students for entrance to performing arts high schools and entry to the Conservatorium of Music.
